Sir:

This is in response to the Notice Under 37 CFR 1.251 mailed December 21, 2004 and having a shortened response due date of March 21, 2005.

A telephone conversation with Mr. James Murphy of the USPTO resulted in the agreement that the Notice Under 37 CFR 1.251 mailed December 21, 2004 was issued by the PTO in error. The requested foreign priority document dated March 10, 2004 does not exist for the above-identified application. As such, no response is necessary. Further, the foreign priority document (Korean Application 2002-45281, filed July 31, 2002) from which priority benefit is claimed by the above-identified application was received by the USPTO.

Respectfully submitted,
